

## Jake Bobowsk

Senior Instructor

Physics, UBC Okanagan

Phone: 250-807-9506

Email: [jake.bobowski@ubc.ca](mailto:jake.bobowski@ubc.ca)

<https://people.ok.ubc.ca/jbobowsk/>

### Research Theme

Electromagnetic and Nanoscale Materials and Manufacturing (ENMM)

### Research Areas

- Characterization of electromagnetic material properties
- Microwave techniques
- Precision experimental measurements

### Research Facilities/Tools

- Microwave instruments (vector network analyzer, spectrum analyzer, microwave source, amplifiers, ...)
- Machine shop
