

Joseph Dahmen

Assistant Professor

School of Architecture and Landscape Architecture, UBC

Phone: 604-365-3448

Email: jdahmen@sala.ubc.ca

<https://sala.ubc.ca/>

Research Theme

Buildings and Construction Materials and Manufacturing (BCMM)

Research Areas

- Sustainable design
- Advanced bio-composite materials
- Sustainable masonry materials
- Soil-based construction systems
- Fabrication optimization
- Life cycle assessment

Research Facilities/Tools

- Design studio
- 3-D printing
- CNC milling machine
- Fabrication shop
