Apurva Narayan

Assistant Professor

Department of Computer Science, UBC Okanagan

Phone: 250-807-8272   Email: apurva.narayan@ubc.ca

http://people.ok.ubc.ca/anaray02/

Research Theme

Machine Learning and Artificial Intelligence

Research Areas

- Cyber-Physical Systems
- Machine Learning
- Data Mining
- Software Engineering
- Artificial Intelligence
- Design Optimization under Uncertainty
- Sustainable Computing

Research Facilities/Tools

- Neural Networks
- Formal Methods
- Statistical Machine Learning
- Control Systems
- Graph Theoretic Analysis
- Quantum Computing
