

Babak Mohamadpour Tosarkani

Assistant Professor

School of Engineering, University of British Columbia

Phone: 250.807.8048

Email: babak.tosarkani@ubc.ca

[Babak Mohamadpour Tosarkani \(ubc.ca\)](mailto:babak.tosarkani@ubc.ca)

Research Theme

Data Analytics and Operations Research

Research Areas

- Supply Chain Management
- Operations Management
- Reverse Logistics
- Circular Economy
- Sustainability
- Decision Support Systems

Research Facilities/Tools

- Possibilistic Programming
- Stochastic Programming
- Robust Optimization
- Integer Programming
- Systems Modeling and Simulation
- Multi-objective Programming

Design and Optimization of Sustainable Closed-loop Supply Chain Networks
