

Assistant Professor
 University of British Columbia, Okanagan - School of Engineering
 Phone: 250-807-8215 Email: Alyse.Hawley@ubc.ca
<https://engineering.ok.ubc.ca/about/contact/alyse-kathleen-hawley/>

Research Theme
 Biomedical and Biological Materials and Manufacturing (BBMM)

- Research Areas**
- Circular economy
 - Microbial systems Engineering
 - Bioprocess
 - Bioremediation/Bioaugmentation
 - Nature Based Solutions
 - Environmental monitoring
 - Landscape-level processes

- Research Facilities/Tools**
- DNA extractions
 - Biological safety cabinet
 - Temperature controlled room
 - Anaerobic chamber
 - autoclave
